2. Unlocking the Sample User Account

To create your application, you need to log in as a database user. Oracle Database XE comes with a sample database user called SYS. This user owns a number of database tables in a sample schema that can be used to create applications for a fictional Human Resources department. However, for security reasons, this user's account is locked. You need to unlock this account before you can build a sample application.

To unlock the sample user account:

E-governance Policy Statement

SNBP College Yerawada, Pune is committed towards encouraging decentralized and participative administration in different managerial, monetary and examination related affairs. It is also dedicated to fortify pre-existing physical infrastructural governance and to enhance seamless information sharing between various stakeholders.

With the primary objective of implementing e-governance, college has designed an e-governance policy for various operations, transactions and facilities of the institution for better efficacy, transparency and answerability. Various area of examinations, admissions, day to day operations of departments, academics, placements management information systems and stake holder's inclusion in a staged manner are the broad areas of e-governance. The aims of e-governance policy are to plan and facilitate any infrastructure for the deployment of cutting edge applications and arrangement of keys for seamless administration of the college.

Fundamental objectives of the policy

- To implement e-governance in all the facets of college functioning in order to provide an efficient governing mechanism.
- To boost clarity and responsibility in various roles of the college with the help of ICT that can be applied to systematise, transfer and analyse the information and data in the college administration for the purposes like admissions, timetable, workload, attendance, internal assessment, university examination, result etc.
- To achieve paperless administration.
- To smoothen online internal and external communication between various entities.
- To provide easy, quick and ready access to information.
- To keep the data on a secure milieu.
- To guarantee a Wi-Fi enabled campus.
- To provide ICT enabled classrooms equipped with smart boards, projectors etc.
- To establish a fully automated library

Area of Implementation of e-governance:

- Administration and admission
- Academics
- Library
- Accounts and Finance
- Student support
- Examination
- Website and social media
- Placements

Administration:

- Digital messaging services like SMS, Made put to maximum use for Near time information sharing with parents, students and staff in relation to absentee intimation, academic performance, holidays and other required information.
- The administrative office will use advanced Excel and File Management System Tools to maintain database.
- Make transition towards paperless transactions by enhancing the use of Google facilities like;
 - ✓ Google sheet: For data collection from various departments
 - ✓ Google Docs: To prepare notices and activity reports.
 - ✓ Google Forms: To prepare feedback forms and get online feedbacks from stakeholders.
- All staff members shall use biometric attendance.
- Upgrade to a fully automated, wireless office with 24x7 internet facility in near future.
- CCTV cameras will be installed at various places of need. ICT shall be introduced in every administrative function/work.

Finance and Accounts:

- The accounts of the institution will be maintained through Tally software.
- All payments/transactions will be through online mode such as, Bank Transfers, UPI, etc.
- Purchase latest software versions.
- Make use of software to generate profit and loss, balance sheet etc.
- Generate all the analysis reports through Tally.

Student Admission and Support:

- An open and transparent strategy for the admission process is followed which further strengthened by ethical practices and regulations as opined by SPPU and UGC.
- Share brochure, placements and facilities during admission process.

Examination:

- Keep the examination records of students available online with an interactive platform for students to view their internal assessment and semester marks/grades and raise inconsistencies online, if any...

Filling of examination forms, revaluation forms, photocopy firms, receiving of examination papers, uploading of marks, etc. has to be done in online mode. Greatest confidentiality needs to be maintained while handling examinations and work needs to be done with utmost caution and care

Date: _____

- Maintain compatibility of examination process with the regulations of SPPU as far as e-governance policy is concerned.
- College Examination Officer (CEO) needs to oversee the entire process of examination under the guidance of the Principal of the college.

Website and Social Media:

- The college has a website that reflects the mission, vision, history, aims and objectives, information related to faculty, infrastructure, courses offered, various activities, important notices etc.
- To ensure the smooth running of the website, a separate service provider/web designer has been appointed by the college which is assisted by college website committee that takes care of the college website and ensures a speedy update of the latest notices/activities. The website should act as a mirror of the college activities and important notices etc. which needs to be continuously updated taking into account the new changes.
- Important information and achievements will be posted on the Social Media platforms such as YouTube.
