Report Awareness on Health & Hygiene Camp

Health check-up camp was organized by our college in collaboration with Dr. Priyanka Patil on 8th September 2021. The staff and students attended the camp.

Health check-up camp was arranged especially for students. Dr. Priyanka Patil conducted medical check-up for students. She also highlighted the importance of regular health check-up for all students. Health checks have a number of advantages for young people. Regular health checks keep potential health issues at bay and nip any developing problems in the bud. Regular health check-ups have a great advantage of detecting life-threatening health conditions in the early stages when they are treatable.

Vote of thanks was delivered by activity in charge Mrs Sunanda Phadtare.
