## Report on

### "Yoga Day Celebration"

The celebration of International Yoga Day, which took place on June 21<sup>st</sup> 2018. This event aimed to promote physical and mental well-being among our students and foster a culture of health within our workplace. Mrs. Radhika Kale trained students to do Yoga. Feedback from participants has been overwhelmingly positive, with many expressing gratitude for the opportunity to engage in yoga and mindfulness practices at the workplace.

## REPORT

### LECTURE ON COMMUNICATION SKILLS

Date: 31/07/2018

SNBP College, Yerwada organized a lecture on "Communication Skills" for the students of SYBBA and SYBCA classes. The lecture was delivered by Ms. Geeta Pardesi on 31<sup>st</sup> July 2018. The speaker explained Meaning of Communication, Communication Skill, Modes of Communication, Importance and practical application of effective communication in the business world.

The lecturer covered various aspects of communication. Communication is a key to success. In wake of globalization and interaction with International market, the need to understand and communicate specially in English, has become more important than ever. English communication skill helps the individuals to be more confident and effective in the language for personal and professional enhancement.

Frequently practicing communication skills gives a job seeker enough confidence to face the interview. The lecture was very useful for the students; they learn the essential components of effective communication such as clarity, brevity and empathy. They also explored techniques for improving communication skill, including active learning, asking open-ended questions, and providing constructive feedback.

By the end of the lecture, participants had acquired valuable insight and practical tools to enhance their communication skills in a business context. They were inspired to apply these skills in their academic pursuits and future careers, recognizing the pivotal role of communication in professional success.

## REPORT WORKSHOP ON TALLY

Date: 07/08/2018

SNBP College, Yerwada organized a workshop on Tally for the students of class BBA. The primary objective of lecture was to understand the concepts of Tally and Tally ERP 9 software, Also to make a bridge between academic knowledge and professional implementation. Workshop was conducted by Dr. Chitrlekha Pawar.

The core purpose of Tally software is to effectively manage complex accounting and financial processes. It allows users to track and manage accounts, sales, debts, and various other business aspects. It help future Entrepreneurs in managing their financial accounting along with business operation. Tally aims to simplify and streamline accounting tasks, making them more efficient and less prone to errors.

She explained Tally ERP 9 is a perfect business management solution and GST software. It is a conceptual framework for Enterprise Resource Planning (ERP), an integrated tool to sustain in competitive world. It is a complete product that retains its original simplicity yet offers comprehensive business functionalities such as Accounting, Finance, Inventory, Sales, Purchase, Point of Sales, Manufacturing, Costing, Job Costing, Payroll and Branch Management along with compliance capabilities for GST too.

The workshop provided deep insight of recording transactions in Tally Software. Student learned How to create Company in Tally ERP9, How to display list of Accounts, Balance Sheet, Profit & Loss Statement, Trial Balance etc. It was a great learning experience for the students. Entire workshop on Tally ERP 9 was very informative, interactive and knowledgeable.

### LECTURE ON CAREER IN ACCOUNT AND FINANCE

Date: 23/08/2018

SNBP College, Yerwada organized a lecture on the topic "Career in Account and Finance" for the students of class FYBCA and TYBBA. The speaker for the day was prof. Ganesh Bhosale.

The speaker provided a comprehensive overview of the opportunities and requirements within the field. The lecture covered various aspects, including financial accounting, managerial accounting, auditing, taxation, and financial analysis. The instructor emphasized the importance of acquiring a strong foundation in accounting principles, regulations, and practices as well as developing analytical and critical thinking skills necessary for success in the field.

He also explained about the career profiles in accounting like bookkeeper, clerk, payroll clerks, accounts clerk etc. By the end of the lecture, students had a clear understanding of the pathways to pursuing a career in accounts and finance and were equipped with valuable insights to guide their academic and professional endeavors. They were inspired to explore the diverse opportunities available within the field and motivated to develop the skills and knowledge necessary to succeed in their chosen career paths.

**"LECTURE ON PYTHON"**

Date: 10/09/2018

SNBP College, Yerwada organized a guest lecture on Python programming for the students of class BCA and BSC. The guest speaker for the lecture was Asst. Prof. Savitri Surwase

This lecture aimed at providing an opportunity for students to learn the basics of writing and running Python scripts to more advanced features such as file operations, regular expressions, working with binary data and using the extensive functionality of Python modules. Extra emphasis is placed on features unique to Python such as tuples, array slices, and output formatting. The speaker also covered the topics such as closures, sequence types, iterators and generators etc.

The session was extremely interesting for the students and they got an opportunity to learn the concepts of python programming and its relevance to business applications. They were inspired to future develop their Python skills through self study, online resources, and practical projects. The lecture provided a valuable introduction to Python programming for students, equipping them with essential skills for success in today's data-driven business landscape.

**REPORT**

**LECTURE ON CYBER SECURITY LAW**

Date: 25/09/2018

SNBP College, Yerwada organized a lecture on CYBER SECURITY LAW for the students with a primary objective to enlighten the students about the Cyber Security Law is also known as Digital Law or Internet law, signifies the legal regulations and framework governing digital activities. It covers a large range of issues, including online communication, e-commerce, digital privacy, and the prevention and prosecution of cybercrime. As the internet has become a fundamental part of daily lives, cyber law has become crucial in ensuring digital spaces orderly and securing functioning.

Asst. Prof. Rajeshri Walunj started the session with an Introduction to Cyber Security Law and spoke on real-time scenario of hacking process. Further, she spoke about advantages of cyber law – Protection against cybercrimes, Data privacy, E-commerce regulations, Intellectual property protection, Cyber security Standards. types of cybercrime- Phishing, Hacking, Identity Theft, Ransomware, Online scams, Cyber Stalking etc.

The speaker interacted with the students and parallelly insisted that students do it themselves. Students attempted to determine the strength of their mobile phone, which means they attempted to learn about their password should it be hacked in the future and the guest speaker advised the students to change their password based on their status. Apart from password checking, the speaker provided many security tips, cyber rules and regulations, how to protect their information & systems from cyber attacks using a number of methods, as well as some ethical hacking advice.

The sessions wrapped up with a feedback from the students in the form of question and answers. The lecture ended with real-time insights and practices being shared by the speakers.

### General Knowledge Quiz Competition

Date: 06/10/2018

#### Objective of the Event

General Knowledge Quiz competition is always interesting and informative because it keeps the students updated about the current affairs, general knowledge in Science and Technology, Sports, Business and Entertainment. The Quiz commenced at 2:00 PM and concluded at 4:00 PM.

#### Brief information about the event

Competitions offer an opportunity for students to showcase their intelligence and compete with their peers. Keeping this in mind an Inter-Class General Knowledge Quiz Competition was organised for students of classes BBA, BCA, BCS. The competition provided an excellent platform for student to test their knowledge and intellectual abilities. The competition was Co-ordinated by Asst. Prof. Dhanalaxmi Murgesh. The event was judged by Incharge Principal Asst. Prof. Ganesh Bhosale. All the questions for the quiz were carefully crafted to create a challenging atmosphere. The Picture Round got the competitors to put on their thinking capacity to identify, memorize and recall the logos displayed on the screen. The Audio and Visual rounds brought life to the quiz and were enthusiastically answered by the participants. The Mixed Bag and Spin the Wheel rounds were exciting and enhanced eagerness among the participants, thereby achieving a major objective in broadening their horizons. The students displayed their critical decision-making skill in the Rapid Fire Round which was an optional round. The audience was attentive throughout the quiz and enjoyed it to the fullest.

The event was a grand success and concluded with the students being thankful to the teachers for giving them the platform to grow in their knowledge.

### SEMINAR ON DIGITAL MARKETING

Date: 18/10/2018

A seminar was organized on the topic "Digital Marketing" for the students of class BBA. The resource person for this guest lecture was Asst. Prof. Sunanda Phadtare.

In the recent lecture on Digital Marketing, the instructor provided a comprehensive overview of the digital landscape and its implications for businesses. The lecture covered various topics including Social media marketing, Search engine optimization (SEO), Content Marketing, Email Marketing and Digital Advertising. It was indeed a very useful and interactive session which has fostered great learning about digital marketing amongst enthusiastic students.

The Instructor emphasized the importance of understanding consumer behavior online, identifying target audiences, and leveraging digital tools and platforms to reach and engage customers effectively. Practical examples and case studies were used to illustrate key concepts, providing students with clear understanding of how digital marketing strategies are applied in real world scenarios.

Throughout the lecture, students gained valuable insights into the intricacies of Digital Marketing and its role in contemporary business practices. Students grasped the significance of data analytics in measuring the effectiveness of digital campaigns and making informed decision for optimization. By the end of the lecture, students had acquired a solid foundation in digital marketing principles.

The lecture ended with question and answer session.

**REPORT**

**LECTURE ON EMOTIONAL INTELLIGENCE**

Date: 05/11/2018

Lecture on "Emotional Intelligence" was organized by SNBP College, Yerwada on 05/11/2018. The main purpose of conducting lecture was to understand the students need of emotional intelligence at workplace. The lecture was conducted by Asst. Prof. Dhanalaxmi, Murgesh. She explained emotional intelligence is the ability to understand and manage emotions effectively. Emotional intelligence (EI) and its significance in personal and professional development. She also explained how EI is useful for further development of students career, in addition to creating better relationships with colleagues.

She explained how Emotional Intelligence skills can enhance communication, collaboration, and decision making, leading to more effective and harmonious work environments. Additionally, students gained strategies for developing their EI skills, including mindfulness practices, active listening techniques, and empathy- building exercises.

Further she explained emotional intelligence can be said to cover five main areas: self-awareness, emotional control, self-motivation, empathy and relationship skills. It is, of course, important for good communication with others and is therefore a gateway to better learning, friendships, academic success and employment.

By the end of the lecture, the students gained knowledge on main aspects which they should give importance to 'Emotional Intelligence' and also focus on to prepare for their future careers and Employability Requirements. Overall the seminar provided a valuable foundation for students to develop their Emotional Intelligence and succeed in their future careers as business leaders and professionals.

### Workshop On Electronics

Date: 10/12/2018

SNBP College, Yerwada organized a workshop on Electronics, for the students of class FYBSc. The workshop was conducted by Asst prof. Sunanda Phadtare-Bhosale.

The program was fully Hands-on with the active participation of the students. The aim of the workshop was to conduct the program in a "DO AND LEARN" manner.

In the first session the students were taught the following projects:

- Use a MM to measure the DV voltage, AC Voltage, AC Main Voltage.
- Resistance Measurement with Multimeter, Resistance colour code
- Understanding Bread board connection.
- Potentiometer connection and checkin

In the second session the students were taught the following projects:

- To identify Capacitors caps which included electrolytic capacitor.
- To identify the primary and secondary of a 9v transformer with multimeter and also to measure the AC output.
- Use of Multimeter to check a diode IN4001.
- Forward and Reverse Biasing of a diode and to observe output with LED.
- To Identify a NPN and a PNP transistor.
- To use the NPN transistor to construct a switching circuit on the breadboard to light up a LED.
- To use a LDR to make a simple day night switch with a single transistor and an LED.
- To use two transistors, two electrolytic caps, two LEDs and resistors to construct a stable circuit on the Breadboard.

## Report on

### Seminar on Social Research Methods

28<sup>th</sup> January 2019

The Seminar on Social Research Methods was successfully held on 28<sup>th</sup> January 2019 at SNBP college at 3.00pm , attracting an enthusiastic audience of students and faculty members eager to enhance their research skills within the social sciences.

The resource person Asst.Prof.Dilip Baragade (GS Moze College) commenced seminar with an insightful introduction to the fundamentals of social research, emphasizing its significance in generating knowledge and understanding societal phenomena.

Students were introduced to various research designs, including qualitative, quantitative, and mixed-methods approaches, gaining insights into their respective applications and methodologies. Throughout the seminar, interactive sessions and practical exercises were conducted to reinforce learning and understanding. Participants actively engaged in discussions, sharing their experiences and insights into different data collection techniques, such as surveys, interviews, and observations. Ethical considerations in social research were also highlighted, with discussions on principles such as informed consent, confidentiality, and researcher reflexivity.

The seminar concluded with a vibrant exchange of ideas and reflections, with students expressing their appreciation for the valuable insights gained and the opportunity to network with peers and experts in the field. Around 30 students were present for the seminar.

Asst.Prof.Prajakta Temkar expresses sincere gratitude to all the speakers, organizers, and participants for their contributions in making this seminar a resounding success.

### GUEST LECTURE ON TALLY AND ADVANCE EXCEL

Date: 06/02/2019

SNBP College, Yerwada organized a Guest Lecture on Tally and Advance Excel for the students of class BBA. The primary objective of lecture was to understand the concepts of Tally and to learn formation of data in advance excel. Lecture was conducted by Ms. Vijeta Surve. The speaker explained MS Excel is an indispensable tool for analysts, planners, controllers, financial experts and other users. She explained Advance MS Excel is widely used considered as one of the most popular basic spreadsheet programs which are used by millions of users and corporate all over the world to keep records of their valuable data in a more systematic and accurate way. It helps in computing large amount of data quickly and can be used for data analysis as well, allowing the business owners to predict certain facts about their customers, competitors and them.

The speaker also explained about Tally ERP 9 software programme that is extensively used by small, medium, and big businesses for accounting purposes.

The speaker helped the students understand the concepts and techniques of Advanced Excel. She also helped the students in gaining practical knowledge of how to use the advanced excel sheet. It was an interactive session where the speaker provided information to the students about the actual working environment in real industry. The students got insights about work done in the industries using Excel. She also sorted the queries of the students related to Excel.

## INDUSTRIAL VISIT REPORT

S. N. B. P. College, under the guidance of Prof. Ganesh K Bhosale, I/C Principal and Prof. Dhanalaxmi Murgesh, BBA Coordinator, organized an Industrial Visit to Katraj Dairy, Katraj, and Pune on 27<sup>th</sup> February 2019, for the BBA students.

The aim of the industrial visit was to acquaint the students with the process of the Dairy Industry. 18 students along with three faculties visited the industry. The Visit commenced at 12pm under the guidance of Mr. Akash Walunj, an employee of Katraj Dairy. The Visit began with a video about Katraj Dairy. The video included an introduction of Katraj Dairy, procurement of milk, transportation of milk, testing of milk, processing and pasteurization of milk and other dairy products etc. Mr. Walunj showed the students how the milk processing machines like boilers, chillers etc work.

He also showed the students all the production departments like Flavored Milk, Ice cream, Ghee processing, etc.
