## Report

### Dowry Victim Awareness

Students of S.N.B.P College did a small street play "Dowry Victim Awareness". The Social Revolution is what is needed to put an end to this menace. In the name of tradition dowry has come a long way but now is the time to address it and stop it. "The conscience of society needs to be fully awakened to the evils of the dowry system so that the demand for dowry itself should lead to 'loss of face' in society for those who demand it. We have no doubt that our 'young and enlightened women' would rise to the occasion to fight the evil which tends to make them 'articles of commerce'. We also hope that our 'educated young males' would refuse to be 'sold in the marriage market' and come forward to choose their partners in life in a fair manner.
