**6.1.1 The institutional governance and leadership are in accordance with the vision and mission of the Institution and it is visible in various institutional practices such as sustained institutional growth, decentralization, participation in the institutional governance and in their short term and long term Institutional Perspective Plan.**

## **The institution practices decentralization and participative management:**

The college has a well framed internal organizational structure which helps in the effective process of decision making. Governing body is the apex body who decides academic and administrative policies. For the effective implementation of policies and development college has a **COLLEGE DEVELOPMENT COMMITTEE (CDC)** which meets once in every semester to discuss on various activities to be held in future and approves it when agreed upon by all the members. The members include academicians, advocates, and representatives from alumni, management, college staff and other stakeholders. Other committees such as IQAC, Anti-ragging committee, Grievance committee, Internal Complaint Committee work under the guidance of the Principal and the decisions are communicated to the teaching faculty and students. Effectiveness of the organizational structure is monitored through various feedbacks.
