Internal Assessment Plan/Policy

An exclusive policy is framed for the conduct of internal evaluation to offer students with multiple options to track their assessment and assure their quality of learning. The regularity of quality measure is ensured by providing multiple assessment techniques as under.

1. The college appoints one of the senior faculty member to function as College Examination Officer (CEO) who supervises and executes all the examination related work and processes. To concentrate on examination related works the CEO is often relieved from other assignments.
2. The Internal examinations to be conducted by meticulously following all the norms and rules of the affiliating SPPU including the appointment of appropriate staff.
3. The college conducts first year undergraduate examinations in practical courses by appointing internal and external examiners from the respective college faculties.
4. At all costs the transparency, uniformity and impartiality in the internal evaluation are to be maintained with accessibility to all learners.
5. The continuous internal assessment is to be vigorous and extensive in providing a fair estimate of learner's ability and attainment supporting their progress proficiently.
6. Constancy, legitimacy and reliability in internal assessment results must be guaranteed.
7. The internal assessment to precede and conclude before the commencement of university examinations (External) leading to adequate time for students to prepare and practice for their examinations.
8. Seminars and assignments are to be allotted to students, wherever possible, for ensuring their active participation in the learning process.
